Grant of leave to Dr. E. P.

arrangements.

Serial

Leave to Dr. E.P. Metcalfe.

1) Dr. E.P. Metcalfe, Vice-Chancellor, wants to go to England in the beginning of March and avail himself of leave combined with Vacation. His requests in this connection are:—

(i) Leave on average pay from 5th March 36 combined with Vacation.

(ii) Free passages for himself and his wife.

2) 1 Re: Leave

Dr. E.P. Metcalfe attained age of superannuation on 2.7.35 on which date all leave previously at his credit lapsed, and he could only earn after that date fresh leave of only one kind, viz privilege leave. So he may have at credit on 5.3.36 only privilege leave for about 22 days and this on half pay as he is a Vacation officer. The summer vacation commences from 1.4.36 & ends on 23.6.36 ~~if his request~~ The leave at credit may

not carry him on to the beginning of vacation further under AT 189, M.S.R., privilege leave + Vacation should not exceed 3 months, so that only 8 days' privilege leave can be combined with Vacation (from 24th Mar. to 31st Mar.)

AT. 147 (b)
M.S.R.

Vide Terms of his apppt
as Vice-Chancellor
Fr. A

Further he proposes to sail in a Steamer leaving Cochin on 5.3.36 & wants the leave to commence from 5.3.36.

So the concessions asked for seem to be—

(i) To be treated as on duty ~~outside~~ outside the State also until he leaves India. [This was allowed on a previous occasion] ^{78 G.} as a special case.

(ii) To be given leave on full average salary (instead of on half pay ordinarily admissible)

and for a slightly longer period so as to join the vacation. This he asks

for in view of the ^{unused} furlough that was

at credit at time of Superannuation,

which lapsed. [Under Standing orders this

can be given in case any leave had been asked for

before superannuation and refused. No such circumstance in this case.]

~~He says that he is prepared to join duty~~

He hopes to return to duty at the end of June 36 "Circumstances permitting."

His present term of extension expires on 1.7.36

The vacation expires on 23.6.36. So in case

his services are further extended, he may

have to re-join duty on 24.6.36 as he

cannot have further leave ^{with allowance} after the vacation.

~~(He also mentions that the vacation becoming part of the leave)~~

[A formal certificate of leave has been called for from the comptroller].

3) II

Grant of free passages for himself & his wife.

Under Standing orders, European Professors of the University are entitled to two return passages for the officer & his wife in the entire course of service

If he overstays the vacation, the entire vacation may have to be treated as leave without allowance, as vacation must be preceded & followed by other leave.

the first being given after a service of ten years and the Second after a minimum period of six years thereafter. This concession was introduced in 1928 & Dr. Metcalfe availed himself of one set of passages in 1929 i.e. over 6 years back. One doubt in this connection, is whether he is ~~now~~ entitled to the Second set of passages in view of his ^{not} being now ~~a~~ a "Professor". (He had however very little time to utilise ~~the~~ fully the Concession as he ceased to be a "Professor" a year after its introduction). As ~~in case he~~ he is not sure of ~~returning~~ he does not seem to be sure of returning to duty on expiry of the vacation, he may now want only Single passages for the forward journey (d for the return journey later on - if he makes it - he may only get the difference between the return fare and Single fare)

Subject:—

Grant of leave to Dr. Metcalfe, Vice-Chancellor,
Mysore University, and consequential
arrangements.

21) Dr. Metcalfe has applied for leave from the 5th March 1936 to be combined with vacation, as he wants to take his wife to London owing to the unsatisfactory state of her health. The Comptroller to Government has certified that he can prefix only eight days' privilege leave on half pay to the vacation from the 1st April to 23rd June 1936, but in view of the fact that he had at the time of superannuation about 4½ months furlough on full average salary, which lapsed under the rules, I am of opinion that, as a special case, he may be given leave on half pay for the full period from the 5th March to the 1st April, on which date the vacation commences. The Dewan has agreed to this proposal and it may be graciously approved.

22) The arrangements in his absence have been carefully considered and, taking all circumstances into account, it has been informally decided in Council that Mr. N.S. Subba Rao, the Director of Public Instruction should be put in charge of the office of Vice-Chancellor in addition to his own duties. This will not, however, commit Government in anyway when the appointment becomes permanently vacant. As on the previous occasion, a charge allowance of Rs.200 per mensem for the period excluding the vacation may be sanctioned. The recommendation of the Council may be graciously approved.

Dr. Locatelli has applied for leave from the 1st of

I am of opinion that as a special case, he may be allowed to take
pay for the full period from the 1st of April to the 31st of June,

The arrangements in his case have been made by the

fully decided in March that Dr. Locatelli, the Vice-Chancellor,
public instruction should be put in charge of the office of

great responsibility in view of the fact that the Government
is on the point of opening a new university, and it is
a very important task for the Vice-Chancellor to take
the necessary steps to ensure the smooth running of the
university.

Dear Mr. Venkatesa Iyengar,

I understand that Dr. Metcalfe as Vice Chancellor was permitted to be in Bangalore for 10 days in the month and draw halting allowances therefor. In my case my headquarters remain Bangalore, and I go to Mysore now and then to attend to University business and also departmental work. I want to know if my stay at Mysore, which happens to be the Headquarters of the University should be limited to ten days in the month as in the case of Dr. Metcalfe in regard to Bangalore. I myself think that no such limitation is necessary, but since the question has been raised in connection with my stay during the month of March, when I happened to have stayed more than 10 days (though not continuously), I should like to have authoritative opinion in the matter.

Instructions

Yours sincerely,

M. S. Subbarao

M. Venkatesa Iyengar, Esq., M.A.,

It seems to me that a limit cannot be fixed in this case. Dr. Metcalfe's case is no analogy as he was limited to ten days in Bangalore being H.D. The point is also of no great importance as Mr. N.S. can stay in Mysore as & when necessary.

He may perhaps be informed that the limit does not apply in the case

and tho' that it is presumed that ten days in anyone

would ordinarily be sufficient there'd be no objection

Dated, 15th Feb 1936

Dear Mr. Rajagopalachari.

Owing to the unsatisfactory state of my wife's health. I propose to take her immediately to London for special treatment.

I shall be greatly obliged if Government will kindly grant me leave for this purpose. Taking into consideration the circumstance that I had unused furlough at my credit at the time of my superannuation.

As I have lately been put to considerable expense and anticipate that the treatment in London will be very costly, I request

that Government may be pleased to grant me the leave on average salary in combination with vacation: and also to allow free passages for my wife and myself under the rules. - I have been given free passages only once before during my service in 1929 - more than 6 years ago.

I have provisionally arranged to travel by the "Cheshire", leaving Cochin on March 5th. from which date the leave would begin. I hope to return to duty at the end of June, circumstances permitting.

Yours sincerely

under Art.147(a) M.S.R. He had taken during the whole period of service upto 2nd July 1935 besides furlough on half average salary, furlough on average salary for an aggregate period of 7 months and 13 days.

(4) As per Appendix P, M.S.R. European Professors are entitled to two return passages for the officer and two for his wife in the entire course of service. Dr. Metcalfe was given in the year 1929, when he was Professor, one passage to and fro for himself and one for his wife. This privilege is not applicable to other European Officers. As Dr. Metcalfe is no longer a Professor, no free passage is admissible now.

I am desired to enclose herewith for your kind information a copy of a Government Notification and a Government Order issued to-day regarding the leave applied for by you and other arrangements in this connection.

Dr. E. P. Metcalfe, D.Sc., F.Inst.P.,
Vice-Chancellor, Mysore University.

20th April

With reference to your D.C. letter dated 20th April 1936, regarding the period of your leave at Mysore in connection with your work as Vice-Chancellor, I am pleased to state that the limit prescribed in the case of Dr. Hotelesu's leave at Bangalore does not apply to your case. I am to add, however, that it is presumed that a stay of ten days in the month of Mysore for purel University work would ordinarily be sufficient, though there would be no objection to your spending a few days more there when that is found necessary.

Dated, 7th May, 1936.

Dear Mr. Venkatesa Iyengar,

44517
GENERAL SECRETARY
- 8 MAY 1936

Please refer to your letter D.O.No. 2400 dated 29th April 1936. Audit has raised another ingenious point, which is held not to be covered by permission to spend, if I find it necessary, a few days more than 10 days at Mysore. It is considered that the permission is only for spending more than 10 days in one month, but not at one stretch. Therefore, objection is taken to the fact that during the month of March, there was only a break of two nights between two periods of stay at Mysore which - taken together exceeded 10 days. Therefore, it is considered that sanction of Government under Article 577 is necessary for one continuous halt of over 10 days.

I request in the circumstances that I might be allowed to spend more than ten days either continuously, if it is found necessary, or in two or more bits as the case might be.

Yours sincerely,
K. S. Subbarao

Dear Mr. Subba Rao,

With reference to your letter dated 7th May 1936, regarding your halts at Mysore in connection with your duties as Vice-Chancellor, I am desired to state that article 517 of the Mysore Service Regulation ~~does not~~ apply in the case as you draw daily allowance for stay in Mysore. Owing, however, to the fact that the halt would be in a place which is the headquarters of your office as Vice-Chancellor, I am to say that you may if necessity arises spend more than 10 days in one month in Mysore either continuously or in two or more bits as the case might be. It is expected, however, that ~~then~~ it would be ordinarily unnecessary for you to ~~stay~~ ^{stay} there so long at a stretch

Dr Metcalfe has written for permission to join duty late by five days or for casual leave for that time. If neither is possible he will return by an earlier ship.

Dr Metcalfe could perhaps have raised the point earlier. ^{stated by him} ~~These~~ circumstances have been within his knowledge all the time.

He has been allowed to combine leave with vacation; and combining leave again at the end of vacation ^{also} is not permissible under the M.S.D. The leave already given was ^{also} granted as a special case.

In the peculiar circumstances of this case however five days more of the leave ^{at his credit} that lapsed on superannuation may be allowed to be taken at the end of the vacation. This will not be allowed to be treated as a precedent either in this or other cases. In order

If the period of absence from the date of expiry of vacation is to be treated as leave, the period of vacation also is to be treated as leave. He cannot also be granted casual leave for the period in continuation of vacation.

I understand that the period of vacation was previously three months and was reduced to 2 months and 23 days from 1933. Strictly speaking, he is not an officer of the Vacation department, since he does not attend to any teaching work. If any special concession is called for in the present case, the period of vacation for him during the current year may be fixed at 2 months and 28 days -- only half pay being allowed for the extra 5 days. It has to be stated that even the grant of the original leave involved ^{on half pay} a concession to him.

Dr. Metcalfe has been informed by cable that ~~in~~ his ~~vacation~~ has as a special case been extended by five days, only half pay being given for the extra 5 days - (as suggested by Mr. Fin. Secy). The Registrar, Mysore University & the Incharge V.C. have also been informed of this.

Draft of a Govt. order issuing formal orders in the matter is submitted for consideration. The case is strictly Council matter and the papers may perhaps be perused by the Second Member also. (a memo submitted to H. H.)

One other point is whether any allowance is to be paid to Mr. N. S. Subba Rao for the period. As at present he is given Rs 200/- only for the leave period from 5th to 31st March 1936, and no additional emoluments at all for the vacation period from 1st April 1936. The extra 5 days now allowed to

Dr. Metcalfe is ~~also~~ termed "extension of vacation"

but only half pay is allowed to Dr. Metcalfe.

Whether any in charge allowance needs to be given is for order.

Subject.—

EXTENSION OF LEAVE GRANTED TO DR. METCALFE.

Q. With His Highness' approval, Dr. E.P. Metcalfe, Vice-Chancellor, Mysore University, was granted leave on half pay from the 5th to 31st March 1936 (both days inclusive) with permission to avail himself of the summer vacation in continuation of the leave. The vacation expires on the 23rd June 1936 and he would be due to return to duty on the 24th June 1936.

O Dr. Metcalfe has since represented that in view of certain difficulties it would be convenient if he could be permitted to rejoin duty on the 29th June 1936. No leave of any kind is admissible to cover this extra period but in the special circumstances of the case, it was considered that the short period of extension asked for might be treated as extension of the Summer vacation, personally in the case of Dr. Metcalfe, by five days from the 24th to 28th June 1936, only half pay being allowed for this extra period.

R The Dewan and the Second Member also have agreed to this proposal and orders have been issued accordingly, in anticipation of His Highness' gracious approval, as Dr. Metcalfe wanted a reply urgently by cable.

Mr. N.S. Subba Rao will continue to be in charge of the Vice-Chancellor's duties during this extension and will be permitted to draw charge allowance at Rs.200 per mensem for this extra period of five days also.
